PUBLIC DEPARTMENT

Sub: HOME--Mufassal--South Kanara district--Mangalore East Police station--Location at the Dt.Prohibition office building Pandeshwar, Mangalore--Installation--Report submitted.

Ref: 1.Letter No.P.11043-55 dated 6.7.55, 20.7.55 and 23.8.55 from the Dt.Superintendent of Police South Kanara.

The District Superintendent of Police South Kanara proposes to shift the present Mangalore East Police station near Bundar to the Dt.Prohibition office building at Pandeshwar consequent to the merger of the Prohibition department with the Police department on 1.10.55. He states that in view of the fact that the P.A to the District Superintendent of Police South Kanara and the Ministerial staff have to be housed in this office after the merger, and the District Intelligence Bureau which is now housed in the Dt.Superintendent of Police's office to be shifted to the existing Mangalore East Police station thereby facilitating a close contact with the Central crime Branch now located in at the Mangalore North station building, the change is quite essential.

2. There is no telephone connection at present to the office of the District Prohibition Officer. When the Mangalore East Police station is shifted to this building the installation of the telephone is absolutely necessary. The nearest public office having a telephone is the District Police office. It is about two furlongs away. In cases of urgent calls, the Station House Officer, Mangalore East Police station when his office is located in the Dt.Prohibition office may not find it convenient to utilize the phone in the Dt.Superintendent of Police's office. The distance between the Dt.Prohibition office and the nearest public office having a telephone is two furlongs.

A.1

3. Sanction may, therefore, be accorded for the installation of a telephone at the Dt.Prohibition Office building for the use of the Station House Officer Mangalore East Police Station.

Yours faithfully,

The question of installing telephones in important police stations in 9 Districts (of which South Kanara is one) was examined recently. The Collector of South Kanara recommended in February '55 the installation of telephones in 8 police stations (1. Kasaragod, 2. Kaup, 3. Buntwal, 4. Brahmavar, 5. Puttur, 6. Karkal, 7. Coondapur and 8. Mulki). This Department considered it necessary to accept the proposal in respect of Nos.1, 5 and 7 only. Home and Finance have accepted this view.

2.

In the case of Mangalore East Police Station now recommended by the Collector, the I.G. of Police also considers the installation of a telephone absolutely necessary. The proposal may therefore be accepted in this Department. Home and Finance may see.
